

COMPANY OVERVIEW

Trade Arts is a design and end-to-end fabrication studio based near the Gold Coast, delivering projects across film, television, exhibitions, public art, themed attractions, and cultural infrastructure. We integrate cinematic craft with architectural precision, producing immersive, durable works for public environments and major international productions.

CORE CAPABILITIES

- Advanced 3D Printing — FDM and resin (SLA/MSLA) for props, prototypes, and sculptural elements
- CNC Machining — Structural panels, signage, and architectural elements in timber, MDF, acrylic, aluminium
- Design & 3D Modelling — Rhino, Fusion 360, ZBrush for CAD development and concept visualisation
- Scenic Finishing — Hyper-realistic paint, weathering, and material simulation for camera and exhibition
- Structural Fabrication — Metalwork, carbon fibre armatures, and hybrid assembly for large-format builds
- 3D Scanning — High-precision scanning for replication, digital archiving, and reverse engineering
- Exhibition & Public Art — Turnkey fabrication from concept to installation for museums, councils, and galleries

KEY CLIENTS & PROJECTS

- Netflix — Feature film prop fabrication
- Sony Pictures — On-set fabrication support
- Amazon MGM Studios — Voltron feature film
- Paramount — Production props and builds
- Bluey's World Brisbane — Reindeer light sculptures
- Good Oil Films — Full aircraft interior set build
- Palomina — Spaceship set design and construction
- Xzibit — Bunya Cone replica, Pterodactyl sculpture

COMPLIANCE & CAPACITY

- Public liability insurance
- Professional indemnity insurance
- Workers compensation coverage
- WHS documentation and risk assessments
- Structural engineering sign-off capability
- EFTSure registered supplier
- Formal quoting and milestone invoicing
- Grant acquittal documentation and reporting

SECTORS SERVED

Feature Film & Television · Exhibition Design · Public Art & Cultural Infrastructure · Themed Attractions · Brand Activations · Product Prototyping · Government & Council Projects

CLIENT TESTIMONIALS

“

Bryce and team did a fantastic job for the FING Art Dept, easy to deal with and totally understood the briefs and crazy time lines. Would definitely use them again.

— Mark Dawson, Art Director | 5.0 ★ Google Review

“

Bryce and his team at Trade Arts came through with the goods for a very last minute request from me, it was no bother for them. Would recommend!
